1.

All yardage markers are to the center of the green.

2.

Out of Bounds – Defined by inside edge of white stakes at ground level and green boundary fence. When both stakes and boundary fence are present, the stakes identify out of bounds and the fence defines out of bounds.

3.

Pace of Play foursome – Maximum of 4 hours, 5 minutes for 18 holes.

4.

Cart Rules – Unless otherwise posted, carts may cross fairways at a 90° angle. However, please do not park on the fairway.

- Under certain severe conditions carts may be prohibited from fairway travel altogether.
- We encourage all golfers to use the paved cart trails as much as possible.

5.

Lightning – The Greenbrier utilizes a computerized lightning alert system, called Thor Guard<sup>®</sup>, in conjunction with Voice of Thor<sup>®</sup>, an audible warning system.

- When you hear a long 15 second blast (that may be repeated), take shelter immediately.
- The clear signal is a series of three 5 second blasts, 2 seconds apart.

Our system is designed to alert you to possible adverse weather conditions. Neither the signal nor the system is intended to guarantee that conditions are safe.

Players should always use their eyes and ears, and seek shelter when they see lightning or hear thunder.
