About

SIGNATURE RESORT ROOMS

Our signature resort rooms are comprised of guest rooms, classic suites, historic suites and guest rooms within The Windsor Club. Signature resort room categories include: Gable, Tradition, Superior, Deluxe and Draper Suite. Each room's interior design is unique, with "deluxe" rooms being more subdued.

LEGACY COTTAGES

In the beginning, there were cottages at The Greenbrier and today, guests still love staying in them. Our Legacy Cottages offer a hint of seclusion, in some cases a little extra space and a more central location on the property. Some of these Legacy Cottages are the oldest remaining structures on our 11,000-acre playground. Our Legacy Cottages are situated in "rows" (Baltimore Row, South Carolina Row, Spring Row, Paradise Row, Tansas Row) with additional cottages including Florida Cottage and Copeland Cottages. Guests especially enjoy the open-air porches and views of the resort, the grounds or the Allegheny Mountains. One- to four-bedroom cottages are available and most cottages feature a formal sitting area and a private bathroom for each bedroom. Many of these historic cottages are for sale through The Greenbrier Legacy Club.

GREENBRIER ESTATE HOMES

Ranging from four to seven bedrooms, the spectacular Greenbrier Estate Homes are beautifully appointed and spacious enough to entertain up to 200 guests. The Greenbrier Estate Homes include: Hawley, Valley View, Top Notch, Colonnade, Copeland 2, Copeland 11 and Copeland 35 Estate Homes. Many of these incredible homes are for sale through The Greenbrier Legacy Club.

WINDSOR CLUB

For the ultimate in exclusivity, reserve your place in our history with luxurious accommodations in The Windsor Club. The royal setting is unmistakably The Greenbrier, but the experience is absolutely one-of-a-kind. Only guests of The Windsor Club can experience it firsthand. No detail has been overlooked for your comfort. You'll live (and sleep) like royalty in any of our distinctive floor plans. The Windsor Club, located in the Virginia Wing, is comprised of 24 luxuriously appointed suites, including our seven-bedroom Presidential Suite. Access to the Windsor Club is strictly reserved for Windsor Club guests.

THE PRESIDENTIAL SUITE

The Presidential Suite at The Greenbrier is the ultimate in exclusivity and the most expensive overnight accommodation at America's Resort. At \$25,000.00 per night, you and yours will experience The Greenbrier like royalty. The Presidential Suite, the crown jewel of The Windsor Club, is comprised of seven bedrooms (each with a private bath) with an additional 18 bedrooms available by request.
