General Information

Since its inception, The Greenbrier has earned a reputation built on excellence. Our historic legacy is alive and well today as we strive to continually set the benchmark. Please allow our Event Services team to assist you in customizing options that work specifically for your meeting and dining needs. We look forward to serving you.

Special Dietary Information

Food allergies and intolerances such as gluten free, vegetarian, vegan, kosher, and pescatarian are becoming increasingly prevalent and can pose a serious health risk. It’s very important to us to be made aware of any special dietary restrictions and requirements your guests may be experiencing during their visit at The Greenbrier. To be successful with this endeavor, we ask that all dietary needs be given to your dedicated event planner 5 days prior to your event. Should a dietary allergy or intolerance occur while your event is in progress, the guest may experience a wait time so we can properly prepare the special order. Special Orders not declared on the guaranteed BEO will be served on a first come, first serve basis as they are prepared.

Menu Selections

To ensure the best execution of your event, we kindly request that all menu selections be made 45 days prior to the scheduled functions. Please note that The Greenbrier reserves the right to select a menu for your group should your selections not be made within 15 days of the scheduled functions.

*As per the FDA Food Codes and West Virginia State Law, all food and alcoholic beverages consumed on property must be purchased through The Greenbrier. Pre-guaranteed split entrée choices are priced at the highest menu item with the Chef’s choice of accompaniments. Pre-guaranteed split entrée in excess of two entrée selections is available for an additional $22+++ per guest.

Guarantees

In order to properly document your event, a separate banquet event order will indicate the anticipated attendance number. We require an update of this guaranteed number by 11:00 a.m., five business days prior to each specific event. In the event this update is not received as scheduled, the anticipated attendance number will be used as the guarantee. All food and beverage events are billed at the guaranteed attendance number or the actual number of guests served, whichever is greater. The Greenbrier will prepare food for 3% over the final guarantee. A minimum guarantee policy of 80% of the original expected number applies. Over sets above 3% of the guarantee are allowed at $10.00 per setting. For any events with preset food for more than the 3% overset, additional charges will apply. For any food and beverage events added within three business days of the event, The Greenbrier will make every attempt to accommodate these requests and additional charges may apply.

*Catered food events, requested within the 72 hours prior to your event, will be charged at 1.5 times the menu pricing and will be based on availability.

Minimums

Food and Beverage menus require a minimum number of guests. In the event the number in your party does not meet the minimum, a charge equal to the difference will be made at the menu price plus 6% state tax. No service charge will apply to this minimum charge.

A 22% service charge, 9.75% Historic Preservation Fund and 6% West Virginia state sales tax will be added to all food and beverage charges.
Outdoor Functions
For all outdoor event locations, we ask for inclement weather relocation to be decided upon at least 8 hours prior to the event start. Breakfast events must be decided the night prior. Decisions must be communicated to your Event Services Manager. If a decision has not been made by 11:00 am for an evening event, your Event Services Manager will confer with the Food and Beverage Department to make a decision that is best for a successful event. Additional charges will apply for last-minute set up and venue changes.

Production and Buy-out Fees
Rental fees apply to premium venues around the property. Your Event Services Manager will be able to inform you of settings and areas that require these tariffs. For events that require the exclusive use of a restaurant, “Buy-out” charges will be incurred. These charges fluctuate per the restaurant involved.

Receptions and Cocktail Parties
Greenbrier service personnel are required for all receptions and hospitality functions scheduled in public areas throughout the resort property. For all receptions or functions scheduled in private suites where 30 or more guests are in attendance, Greenbrier service personnel are required. For functions without service in private suites, we offer a variety of Custom Bar Stockings that can be arranged at a la carte pricing. Contact your Event Services Manager for more information regarding hospitality offerings.

Photography
The Greenbrier Photography Studio is staffed by professionals with the most up-to-date equipment to assure that your gathering is preserved in photographs. A complete tariff schedule is available upon request.

Music
The Greenbrier has its own entertainment consultant who will assist you with all music and entertainment requirements. Please contact your Event Services Manager for further information.

TWENTIETH ANNIVERSARY

The legendary Sam Snead was at the peak of his considerable powers when this Gala Dinner was held in his honor just a few days after his 45th birthday. The Greenbrier had taken something of a chance in the late 1930s hiring a young unknown as the Assistant Golf Professional for $45 per month. By 1957 he had won three Masters, the PGA Championship, the British Open and dozens of PGA tournaments. This dinner was held in conjunction with the annual Sam Snead Festival where the best golfers in the world, including Sam’s great rival Ben Hogan, gathered each year to compete on Sam’s home turf.

RYDER CUP WELCOMING DINNER....1979

Captained by Billy Casper, the American team featured Tom Watson, Lee Trevino, Hale Irwin, Fuzzy Zoeller and Tom Kite. For the first time since Ryder Cup began in 1927, European players joined the British golfers on a team captained by John Jacobs boasting Seve Ballesteros, Nick Faldo, Tony Jacklin, Sandy Lyle and Peter Oosterhuis. When you sit down at The Greenbrier and see a Gold Service place setting gleaming in front of you, you will know that you are beginning an unforgettable experience. It is more than a fine dinner, it is a visit into a world of palaces and potentates, castles and kings.

The opulent place setting consists of a 24-carat gold vermeil plate, centered with an overlay of The Greenbrier Spring House on a white bone china background, a row of rich gold ware, and a collection of gold-banded crystal goblets, all resting upon luxurious linens.

Beyond your goblets we recommend an arrangement of fresh flowers studded with glowing candles by which you may read the specially printed menus.

There are only a few places left in the world where this type of dinner can be held, most of which are private homes or hotels in a small number of foreign capitals. The price of gold and the lack of trained staff have made it almost a thing of the past.

One of The Greenbrier’s most precious secrets, however, is the ability to retain the best of the past for the pleasure of the present. The Greenbrier is proud to serve the Gold Service Dinner to those guests who treasure the finest.

Included in the Gold Service Dinner Selection Pricing are the following items:
- Ivory Damask Linens
- Gold Chivari Chairs
- White Bone China with Gold Accents
- Gold Flatware
- Gold Banded Crystal Goblets
- Custom Printed Menus

*Prices for gold service dinners do not include suggested wines or cordials, flowers or special décor.

Welcome to The Greenbrier. We are honored and humbled you have chosen us to host your special events, and our top priority is to help you create timeless memories that will last a lifetime.

The Greenbrier is a historic American treasure that is truly a one-of-one destination. Our service, facilities, amenities, shops, food and especially hospitality were all designed with one thing in mind – the best interests of every guest who steps through our iconic entrance. The wine and beverage department is no different. We offer a great variety of beverages from all over the world – beers, wines, liquors, juices, soft drinks, coffee and tea. We understand individual tastes are what drive the world of hospitality, and strive to satisfy every guest’s unique palate.

On behalf of The Greenbrier, we would like to extend our hospitality and expertise to you during every step of your event. If we can be of assistance in any way with your beverage selections and preferences, please let us know. The world of food and wine can be very intimidating and ever evolving with endless options. We would prefer it to be joyous and fun with a touch of non-pretentious humility. Please make us aware if we can be of service in selecting the perfect champagne, wine or spirit for your special occasion. We can also assist in creating specialized cocktails for your bars, or in planning the perfect pairings with your dinners and receptions.

In the following pages, we have recommended many wines and other beverages to enhance your experience here at America’s Resort. We are happy to answer any questions, make recommendations and help individualize any dinner, tasting or event to your preference. Finally, if you already know what you prefer, our selections of wine, beer and spirits are designed to be as diverse as possible to satisfy the widest range of palates.

In the end, we are not successful unless you are completely thrilled with your selections. As always, a warm welcome and a delicious beverage awaits you at The Greenbrier.

Cheers!
The Greenbrier Beverage Team

**Greenbrier Moonshine Bar:**

The Appalachian Region of the United States is known for beautiful mountains, abundant natural resources and a unique blend of music. For centuries, it’s also been regarded for a high-proof liquor known as moonshine. Produced at night to avoid detection — the source of its name — moonshine was often made illegal, without government authorization. Moonshiners could be found everywhere, but production was centered in Appalachia, because the remote areas made it easier for moonshiners to avoid revenue officers. The conditions were also perfect for growing the corn needed for production. In recent years, legal moonshines have become extremely popular, building on the long tradition in the Appalachian Mountains. The Greenbrier, centered in the heart of Appalachia, is proud to offer a wide variety of flavors produced by distilleries across the region — including right here in West Virginia — for your enjoyment. Beverages are based on consumption at $15 per drink. A $150 bartender charge per bar will apply for each two-hour period.

**Private Select Bourbon Package:**

Bourbon lovers can sample an assortment of The Greenbrier’s private select options, found only at America’s Resort. The selections are based on availability from an assortment of well-known distilleries such as Woodford Reserve, Yellowstone from Limestone Branch Distillery, Knob Creek, Maker’s Mark, Old Elk, Jack Daniel’s Single Barrel Rye and Four Roses. There are also two from distilleries right here in the Mountain State, Smooth Ambler Spirits and Swilled Dog. The tasting includes five 1-ounce flights paired with a domestic charcuterie plate, as well as information from our experts on the flavor profiles and the backgrounds of the distilleries. These tastings will be charged at a rate of $65+++ per person, as well as a $250 sommelier fee. For groups larger than 30 guests The Greenbrier offers a Private Select Whiskey Bar at $20 per drink and a $150 bartender fee per bar for every two hour period.
