

MEETING & EVENT SPACES

Chesapeake Terrace

Located just off the Chesapeake Room, the Chesapeake Terrace offers groups terrific options for outdoor receptions or meeting breaks. Providing spectacular views of the hotel, the space is perfect for a spring or fall afternoon or a summer evening to enjoy the clear mountain air.

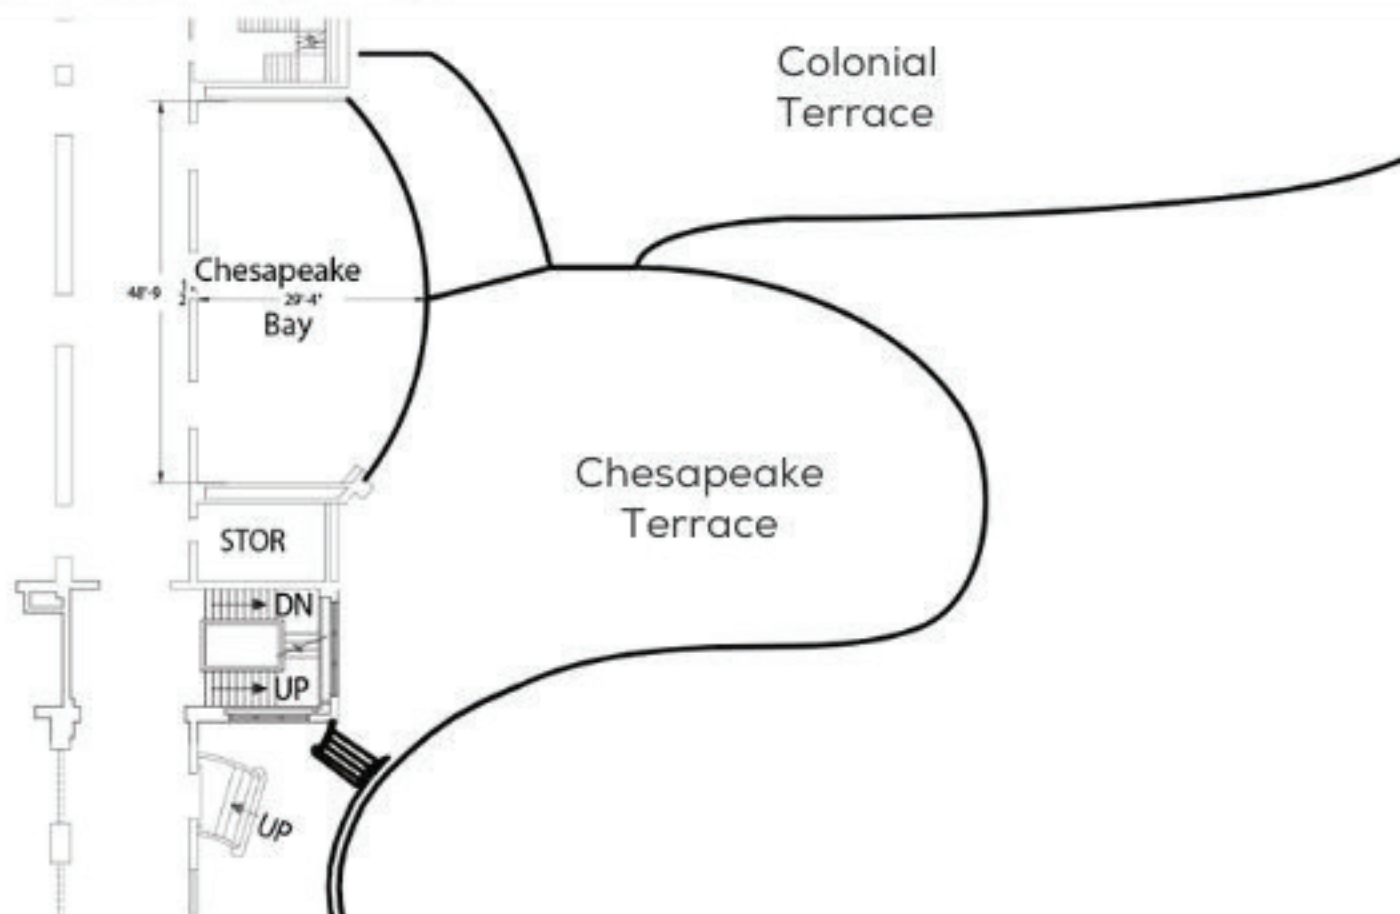

The space can even be tented to provide additional shade or protect against potential precipitation, and fire pits are a great addition in the evening. Used in conjunction with the Chesapeake Room, Chesapeake Lawn or as a space of its own, the options for Chesapeake Terrace are numerous.
