

MEETING & EVENT SPACES

Outdoor Infinity Pool

Located adjacent to the outdoor tennis courts and golf clubhouse, The Greenbrier's outdoor infinity pool – built in 2004 to replace the original outdoor pool, which was built in 1956 – offers breathtaking views of the surrounding Allegheny Mountains and iconic golf courses at The Greenbrier. The 7,000-square-foot pool is 0–5 feet in depth, with a zero-entry design. The water is heated to 80 degrees.

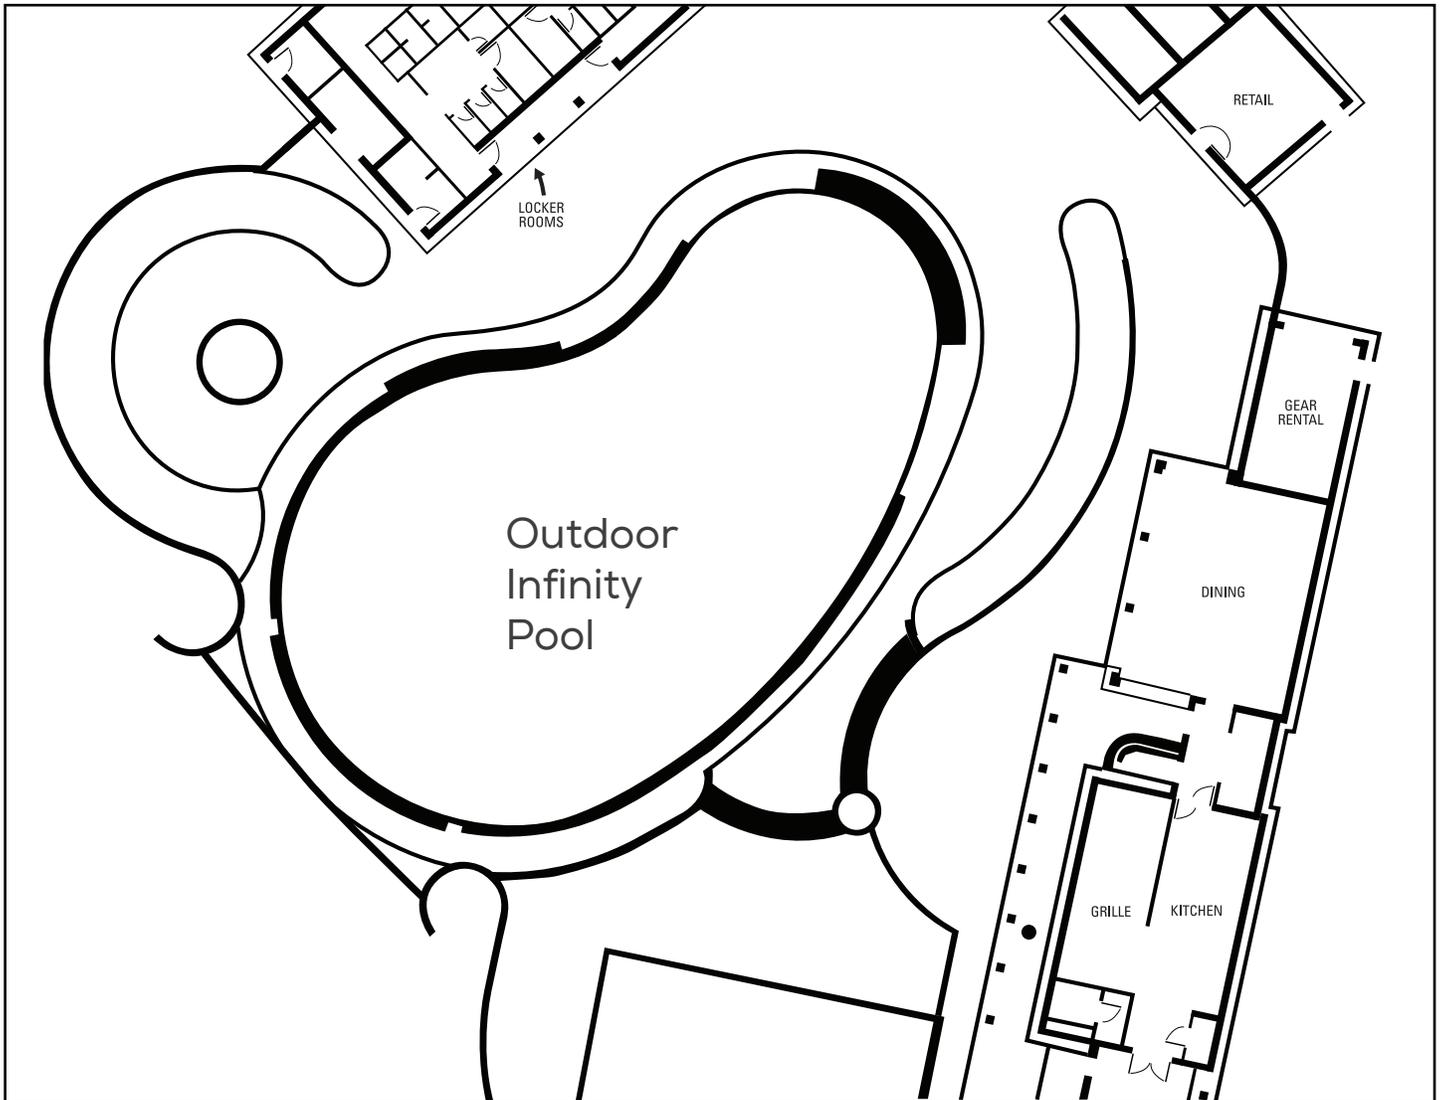

Tree Tops Café features a covered dining area with a full food and bar menu, and tenting can be added to accommodate private parties of up to 150 guests. The pool opens in early May and closes in mid-October.
