

MEETING & EVENT SPACES

Colonial Terrace

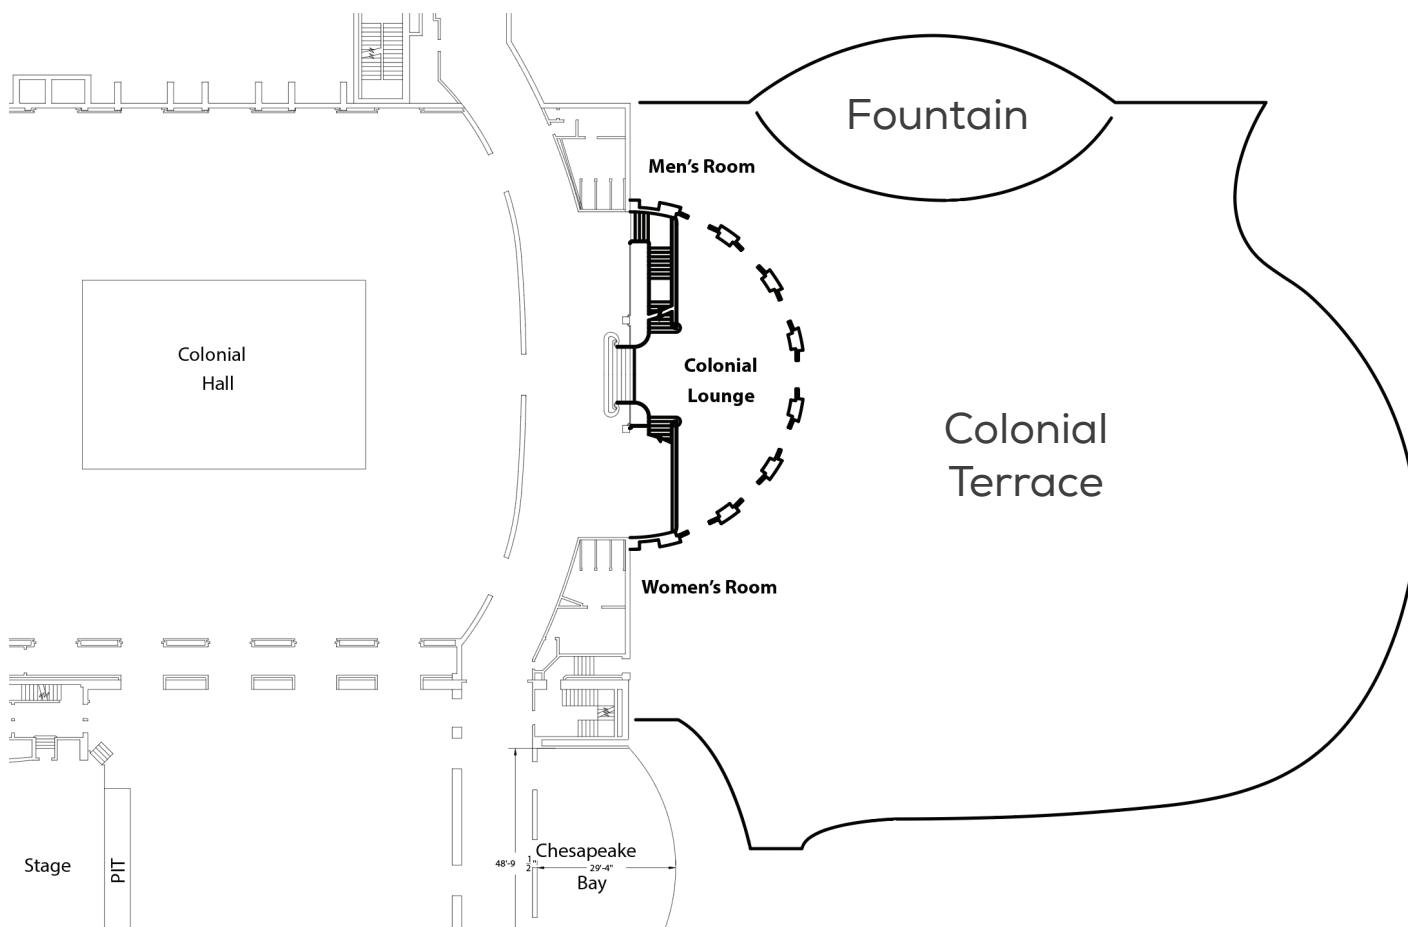

Located just off the Colonial Lounge, the Colonial Terrace offers groups terrific options for outdoor receptions or meeting breaks. Providing spectacular views of the hotel, the space is perfect for a spring or fall afternoon or a summer evening to enjoy the clean mountain air.

The space can even be tented to provide additional shade or protect against potential precipitation. Used in conjunction with Colonial Hall or as a space of its own, the options for Colonial Terrace are nearly endless.
